

life in each drop!

**PROMOTING SUSTAINABLE PRODUCTION AND CONSUMPTION PATTERNS:
THE EXAMPLE OF OLIVE OIL**

We promote sustainable production and consumption patterns using the example of olive oil aiming at the minimization of the environmental impacts, raising consumers' awareness on the benefits of choosing products that have been produced following environmental principles.

The Information Center is located at 2, Katre str. Chania near the old port.

- Free information
- Promotion of "green products"
- Targeted education
- Olive oil tasting
